Please find below the link of Mr. Amer Nasreddin, who is a Muslim-Sunni that Anas Habra Deep-faked it:**

The terrorist Habra's actions, statements, and affiliations and many Al Julani tools like him indicate a deliberate effort to provoke internal conflict, disrupt social stability, and incite violence in southern Syria. The documentation includes sources, testimonies, and media links that support these claims. The hyperlinks below show videos of him instigating hatred, killing and Ethnic Cleansing of Druze.
